

WINNIPEG

**Camp Cedarwood** provides youth with a fun, safe and exciting place to spend a week of their summer. Their week includes live music, challenging skills, sports and much more. Summer camp at its best!

**Drop-In Centres** located in Arborg, Carman, Niverville, Selkirk, St. Pierre, Stonewall, and Winnipeg provide a safe place for youth to hang out and build relationships. They combine healthy relationships with creative programs to give a place for youth to spend time, and establish a foundation for life.

**Teen Moms** provides young moms with mentoring and a chance to gain important life and parenting skills, while also taking part in fun and skill building activities such as sewing and crafting.

**The Edge** provides a safe place for Winnipeg skateboarders to build community, while doing something that they love. This indoor skate park is over 13,000 sq ft with many ramps, street features and a concrete bowl.

**The Rock** provides a place for both youth and adults to come enjoy a time of rock climbing. The Rock includes both an indoor and outdoor climbing wall, along with a bouldering wall.

**Turning Point** provides counselling services to youth and families of all ages, and backgrounds in a safe and loving environment.

**Work Force** provides youth in the North End with opportunities to develop skills for future jobs. They do this by having the youth work odd jobs in the community, as well as investing into the lives of the youth.

**Samson's Fitness Centre** provides a place for youth to come accomplish their own physical goals. Specifically open for those aged 14-18, youth are able to come and train for athletics, health or join fun fitness classes.

**YFC Athletics** provides youth with different opportunities to join leagues such as ball hockey and soccer, while building relationships with fellow teammates and coaches.

**Masterworks Dance Studio** provides a place for those aged 3 to adults to express themselves through dance and art. Classes range from ballet, musical theatre, hip hop, and more.

## OUR MISSION

To participate in the body of Christ in the responsible evangelism of youth presenting them with the person, work and teaching of Jesus Christ, discipling them and leading them into the local church.

## OUR VISION

To establish culturally relevant outreach programs for teenagers run by trained staff and volunteers that will model the love of God and communicate the life-changing message of Jesus Christ.

We combine healthy relationships with creative programs to help young people make good choices and establish a solid foundation for principled living.
